10 ELECTRONIC RESCUE STATIONS TO BE WON IN OUR GREAT COMPETITION

ATTENTION! ATTENTION! Here's your chance to win the latest action set from Motorcity - THE ELECTRONIC RESCUE STATION! But there's no need to panic, because we've got *10* of these fantastic prizes on offer in our crucial competition!

The ELECTRONIC RESCUE STATION from MATCHBOX comes complete with search beam, emergency vehicle launcher, electronic sounds and flashing lights. The station has its own carry handle, which means it can be transported quickly and easily to the scene of the emergency. Once there, the emergency vehicles can be launched swiftly and easily to provide prompt assistance. Also included in this terrific action set are rescue and control bays with operating doors, helicopter launch pad, highly detailed playmat with parking bays, roadways, emergency arrows and a fire engine.

To stand a chance of winning one of these great prizes, first you must answer this simple question:

IN AN EMERGENCY, WHICH TELEPHONE NUMBER SHOULD YOU DIAL?

Now write your answer on a postcard or the back of a sealed, empty envelope. Add your own name and address, and send your entry to: RESCUE STATION COMPETITION, *BUSTER* COMIC, P.O. BOX 164., CHELMSFORD, CM1 3XB. Entries should arrive no later than 24th October. The first ten correct entries drawn from the postbag after that closing date will win the prizes. Usual *BUSTER* competiton rules apply. The Editor's decision is final.

MINI BOGLINS

FRIGHTENINGLY FRIENDLY BOGLINS TO COLLECT!

Which MINI BOGLIN did you get FREE with this week's *BUSTER?* Was it one of The Greedies tribe? Or maybe it was one of The Freaks? Could have been one of The Rude Dudes, of course, or The Clumsies, The Tough Guys or The Jokers. That's the great thing about MINI BOGLINS, you don't know which one you've got until you open the packet. There are 36 different characters in lots of different colours. 100's to collect! And look out for the Tribal Chiefs – they've got three horns – and there aren't many of them. You may even find a Silver Boglin, who has been given the title 'Sir' for being brave and strong. These are very rare and very valuable. MINI BOGLINS are available in individual sachets (like the ones given away FREE with this week's *BUSTER*), or in boxes of 5, 10 or 20. If you get 'doubles', why not swap them with your friends, and help each other get a complete collection.

The *"BUSTER"* MINI BOGLINS are extra-special because each sachet contains a Power Card, which form a game. The cards each feature a MINI BOGLIN with a rank and number. The aim of the game is to get as many cards as possible with high values, and the player with the highest number of points will win!

IMAGINE

THE ROTTEN REF.

What kind of wild and whacky things can you conjure up in your imagination? Mutant Marshmallows . . . Crazy Computers . . . Hideous Hedgehogs? Whatever they are, we'd like to see them. And if we like 'em we'll get our 'Alien Artist' to redraw them, and then they'll appear in a future issue of Buster. We'll even pay £5 to the sender of each idea we use. So come on, pals -get those imaginations working. Send your ideas to: IMAGINE, Buster Comic, P.O. Box 164, Chelmsford, Essex, CM1 3XB.
